One Stop Southern 100 Package 2017

Experience the Isle of Man's most exciting road race

Are you planning to attend the **Steam Packet Southern 100 International Road Races** in 2017, either for the first time or as a returning fan of the races held on the Isle of Man every July since 1955?

Billed as 'The Friendly Races' and one of the oldest events on the international road-racing map, the Southern 100 attracts some of the racing world's biggest names every year.

Why not join them!

With ferry and accommodation packages to suit all budgets across the four-day event, experiencing the thrill of road racing at its very best is just one click away!

Set on the 4.25 mile Billown Circuit in the south of the Island, famed for its tight stone wall bends and fantastic vantage points, the Southern 100 culminates with an open-air prize presentation in the historic Castletown Square on the Thursday evening – a unique way to celebrate the end of another successful year's racing.
