NEW VENTURE FOR AUTO 66

PMH Promotions, which is the company responsible for pushing forward Oliver's Mount and Auto 66 have launched into supporting up and coming riders.

The first person on their list is Ivan Lintin, he will carry the company's logos throughout the season. Lintin will also feature on a film being made for product advertising which he will take a starring role.

Next on the list is the up and coming star Mark 'Percy' Gooding's, who will be onboard his 600 & 1000 machines at all Oliver's Mount meetings. He will also be the new rider for Team York Suzuki on board their Formula 1 bike in the UK Classic F1/Classic Superbike Series. Already, Team York Suzuki manager Kevin Pearson has secured various sponsorship deals for his 600 and 1000 machines for the season ahead. Mark will carry the York Suzuki banner along with PMH Promotions, Oliver's Mount and Auto 66 Racing on all machines throughout the year. Mark will also be competing at the Isle of Man TT, Southern 100 & Ulster GP where he will have full support.

The third rider on the list is Manxman Billy Redmayne, last year's Junior Manx GP Winner, who will have similar support to Mark Gooding's.

Everyone is now looking forward to the first meeting at Oliver's Mount on Saturday and Sunday 16th & 17th April.
