Sulby's Dan Sayle will once again be involved with the Solo Classes at the Southern 100 International Road Races as he straddles a 125cc Honda for the Southport based Falcon Racing Team.

However, the four-time Southern 100 Sidecar Championship Passenger, will also riding a Honda Moto3 Grand Prix NSF250 machine, provided by team owner Phil Barber of Falcon Electrical.

It will be the first time that a Moto3 Grand Prix machine has been raced in anger on the Billown Course and should provide extra interest and sound at the 'friendly races'.

Phil Barber said: 'Dan has ridden the Falcon Racing 125 Honda at the Southern 100 before - winning the second 125 race last year and is riding again for the team this year, so it is a great opportunity for Dan and the Falcon Racing Team to debut the Moto3 Grand Prix Honda at this prestigious event.'
